WILTSHIRE HORN SHEEP SOCIETY

OPEN DAY

(and Extraordinary General Meeting)

SUNDAY 20th JUNE 2010

at

PILKINGTON FARMS

Offley Hoo, Hoo Lane , Great Offley, Hitchin, Herts, SG5 3ED.
(see below)

Registered Wiltshire Horn Flock [871]

Our flock of 350 ewes are naturally reared and extensively grazed over more than 850 acres of grass including traditional chalk grassland at the eastern end of the Chilterns. Lambled outdoors. Breeding stock occasionally available.

Winners of the Chilterns Environment Award 2009.

Offley Hoo Traditional Quality Meat

Winners of the Countryside Alliance Local food Award for East Anglia 2009

New season Wiltshire Horn Lamb boxes (half or whole) available from July to April. Our excellent Longhorn beef and rare breed pork is available all year. Please check our website or ring for availability. Overnight chilled delivery by courier.

All our livestock is extensively grazed for flavour and tenderness, expertly selected and hung. Contact us at **Pilkington Fms** to pre-order your meat, it stays in the field until it is ready for you

NATIVE BREEDS * PROVENANCE * TASTE * TENDERNESS

Breed Standard

Male and Female Horned

Horn falling back with uniform graceful curve clear of the head. In the male a stronger horn and with a second curve, which makes a picturesque adornment characteristic of the breed.

Head	Ears	Inclined to be long and broad
	Face	Wide and of medium length; pure white in colour
	Eyes	Big, bright, quick, prominent and fearless
	Nose	Wide nostril, with the flesh part of the nose preferably dark, with a roman profile.
	Teeth	Strong and set into a good strong under jaw free from any sign of weakness
	Neck	Medium length. In rams wide at the poll and back of ears, and gradually enlarging in all lines to a strong full junction at the shoulder as seen from the sides or bottom. Ewes lighter and more feminine.
Ribs		Well sprung with a full heart
Chest		Deep, with a well filled brisket
Shoulder		Wide and Oblique
Back & Loin		Long and level, well covered with flesh. Tail broad and well set up.
Legs		Forelegs straight and wide apart. Hind legs full of meat to a well angled hock with good flat bone, with strong pasterns and sound feet.
Underline		Good straight, naked
Skin		Pink in colour and covered with short, kemp wool which falls as the sheep gains condition in early spring.
Colour		White, black ticks are permitted
Weights		Live weight of rams 126kgs, ewes 72kg

General summary

Proud and stately on short legs with a certain grandeur of carriage. Pronounced masculinity in male and ewes feminine in appearance

Treasurer's Report

The accounting period for the Society has historically been the 12 months to 31st October. It was suggested at the 2008 AGM that the accounting period be changed to allow more time for the figures to be assessed by external accountants, before their presentation to an AGM. The current accounting period is accordingly the 1st November 2008 to the 31st March 2010. Thereafter accounts will be prepared to 31st March each year. The current period accounts will be presented to the Board of Directors for approval in May 2010. The approved accounts will then be lodged with Companies House in June 2010, and they will be presented to the full membership at the 2010 AGM for any comment and discussion.

In reflection of the changes in accounting periods, the Treasurer prepared "dummy" accounts for presentation to the 2009 AGM. These were prepared on the assumed basis of a 12 month period to 31st October 2009. The figures were discussed by the membership with all queries answered. In comparison with previous years the figures showed a healthy trading period, boosted by better returns from the investments held.

Trevor Brown

Chairman's Report 2009

At the end of the Society's first year as a limited company it is encouraging to report on a successful year for the Society and the sheep industry in general, with producers enjoying higher prices for lamb and an increased demand for breeding sheep.

We have been very fortunate that blue tongue has not reappeared in our country this year, despite the outbreaks on the near continent, but it is only a matter of time before it reaches us again. It is of benefit to all the sheep industry that we continue to vaccinate our stock.

The membership has continued to grow with 60 new members since the last AGM. With the membership growing fast the Society has now reached the milestone of welcoming its 1000th member who is Mr J Stanek of Chipping Norton Oxfordshire. Numbers of Registrations for 2008 remained similar to those of the previous year which, in the economic gloom of last year's downturn, was still good news.

This year saw an end of an era with the holding of the last Royal Show. The Royal show itself was a shadow of its former self but in the Wiltshire Horn classes entries were up and exhibitors put forward the highest standard of sheep seen there for many years and were a credit to the breed.

Although the show season was uninterrupted by disease or bad weather we have unfortunately lost breed classes at major shows, such as the Bath and West and the New Forest, because of insufficient entries.

It is vitally important that the Wiltshire Horn classes are retained at agricultural shows as these events are one of our major promotional tools and are the shop window for our breed. Keeping the breed in the public eye benefits all members and it is for this reason that your Council is looking at ways to encourage members to show.

Promotion was once again concentrated around the NSA sheep events with the Society having stands at Welsh Sheep, North Sheep and Sheep South West. The stands were kept busy with particular interest in using Wilts for crossing and for breeding wool shedding replacements. Thanks go to all those who manned the stands and provided stock. We expect the Society to be represented at major NSA events in 2010.

The Society official show and sales were held this year at Gaerwen and Stoneleigh.

Gaerwen saw a steady trade with particular interest from local commercial buyers.

The first show and sale at Stoneleigh was a great success and saw a bumper trade with buyers coming from all over the country to buy their stock. There was keen bidding for the females on sale with many going to start new flocks. A new breed record was set with Jenny Grant-Parkes' supreme champion senior ram being sold for 1200gns. With the return to higher demand for our breed your Council is looking at the possibility of holding a third official sale in the future.

The South West recording group have now completed their 3rd year of recording. Their records, together with those of four members outside of the South West, are being used by Signet to develop a Wiltshire Horn Breeding index specific to the breed. The shedding ability of the Wiltshire Horn is its single most important characteristic and because of this the group has been collecting data for the last two years on shedding ability. This data will be the basis for creating a standalone shedding EBV for the breed.

Your Council fully supports the Signet recording programme and is keen for more members to join. It was for this reason that funding was introduced this year to encourage members to participate in the programme.

Thanks go to members who have exhibited at shows, keeping up the profile of the Wiltshire Horn and to members who have supported the show and sales by bringing stock for sale. To those who manned the stands at the NSA events, to the various council members who have worked hard on behalf of the Society and to Christina who works hard for us all year behind the scenes.

After 5 years as your Chairman and many years on Council I have decided it is time for new faces. My best wishes go to Teresa and her new Council, I am sure they will continue to promote the breed for the benefit of all of us.

Richard Ling

Flock Number 398 – Established 1980

We wish the purchasers who bought rams and females in 2009 all the best with their purchases.

We will have a selection of Rams/Ram lambs and Ewes/Ewe lambs for sale in 2010 by Gorse Vicar, Trygarn Williams, Tyddyn Mawr Samson, Gorse Xceptional, Gorse Zephyr and Lighthorne Chunky. Also our three ram lambs purchased at the Gaerwen Sale – Tyddyn Mawr Wil, Caergoll David and Trygarn Bycharn.

DEVERILL WILTSHIRES

*Farming 600 ewes on
The Salisbury Plain – the home of the Wiltshire Horn*

We have been breeding and performance recording wool shedding sheep with SIGNET for over 18 years and are able to offer both registered and commercial Wiltshire Horns as well as polled Lley based wool shedding stock for sale.

We also breed EXLANA and Barbados Black Belly Sheep

Choose **RECORDED** stock with **CONFIDENCE**

When you buy a ram you want to know its true genetic potential! We can predict with confidence how much a rams progeny will add to your flock, both in terms of carcase value and maternal ability.....call to discuss your needs

Our sheep eat grass and grass only we are not sponsored by an feed company!

Soil association Organic AB20310
SAFA Farm Assured
Full EBV's including FEC – EBV's available

Tim White
07880 983593
julesandtim@talk21.com

Wiltshire Horn Sheep Recording Group

Working together to produce quality Wiltshire Horn sheep

The Wiltshire Horn Dual Purpose Breeding Index
has been developed in association with
Signet Breeding Services
to improve flock productivity and profitability
to enable informed breeding decisions and add value to our rams

The Index is calculated from Estimated Breeding Values (EBVs) which are influenced by measurement of a particular trait, related traits and information about relatives. Traits assessed include litter size, maternal ability, 8-week and 21-week weights, muscle and fat depths and mature size. For more detail see www.wiltshirehorn.org.uk/enhancement/

Enquiries regarding the purchase of recorded Wiltshire Horn rams and breeding ewes should be made to the following flocks:
